I was a resident of _____ (insert the name of the country under whose treaty the alien claims exemption) on the date of my arrival in the United States. I am not a United States citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am visiting the United States for the primary purpose of teaching, lecturing, or conducting research at Louisiana State University, which is a recognized educational institution or scientific research institution. I will receive compensation for my teaching, lecturing, or research activities.

The compensation received during the entire taxable year or during the period from (____/____/____ to ____/____/____) qualifies for exemption from withholding of federal income tax under the tax treaty between the United States and _____ (insert the name of the country under whose treaty the alien claims exemption). I have not previously claimed an income tax exemption under this treaty for income received as a teacher, researcher, or student before the date of my arrival in the United States.

Any research I perform will be undertaken in the public interest and not primarily for the private benefit of a specific person or persons.

I arrived in the United States on _____ (insert the date of the alien’s last arrival in the United States before beginning study at the United States educational institution). The treaty exemption is available only for compensation received during a maximum aggregate period of *three* years.
