From: Michele M. Montero, Assistant Vice President Procurement & Property Management, CPO

Purpose: FY2025 Deadlines – Fiscal Year End

Applicability: All purchases to be paid with FY25 funds

This memorandum outlines FY25 deadlines for the submittal of requisitions in Workday. These deadlines are established to promote the timely processing and receipt of goods and services. Based on LSU Procurement requirements, the deadlines apply to **all** purchases to be paid with FY25 state funds, as well as any sponsored program, restricted auxiliary, or other accounts/funds expiring June 30, 2025.

Goods and services **must** be received and/or rendered by Monday, June 30th. Departments must aggressively track their FY25 purchasing transactions and perform timely follow-up. **Departments must take into consideration the supplier's quoted delivery times when submitting orders for processing. It is the department's responsibility to include the mandatory delivery deadline in the internal memo section of the Requisition.**

All remaining FY25 requisitions, *complete* in all respects and ready for processing, are to be submitted to Procurement as soon as possible and no later than the deadlines below. *Procurement does not assume responsibility for or guarantee the timely processing of late or incomplete FY25 requisitions.*
