

## LSU Questionnaire

The proposal budget must be routed in GeauxGrants seven (7) business days before the deadline.

This tool is provided to help Department Administrators collect information from Principal Investigators for input into the GeauxGrants Proposal Development record.

Proposal Title:				
Proposal Type:				
Sponsor:				
Originating Sponsor:				
Deadline Date:				
Project Period Start Date: Project Period End Date:				
Program Type:				
The majority of the research will be conducted:	On Campus Off Campus			
The majority of the research will be conducted.				
Compliance Information				
1) Human Subjects records or samples? □Yes □No				
	Protocol #			
2) Vertebrate animals? □Yes □No				
/	Protocol #			
3) Recombinant DNA, infectious agents, transgenic p	lants or animals, human or primate			
cells/tissues or biological toxins? □Yes □No				
If yes, status of protocol	Protocol #			
4) Radiation sources? This includes projects that involve sources of radiation, use of CAMD,				
or use of Class 3B or 4 lasers. □Yes □No				
If yes, will CAMD be used? □Yes □No				
5.) Export Controls				
a.) LSU personnel to hand carry, deliver or ship equipment, components, materials, or				
software on media internationally? □Yes□ No				
If yes, please explain:				
b.) Will the project receive export-controlled, confiden	tial or proprietary information to be			
received on campus? □Yes □No				
If yes, please explain:				
c.) May restrict foreign national participation or dissen	nination of results (e.g. publication			
restrictions)? □Yes □No				
If yes, please explain:				
d.) Development of encryption software? □Yes □No				
If yes, please explain:				

Proposal Title:

Due to various laws and regulations, we are required to obtain information about international travel, collaborators, and sponsors. The following question is included to help fulfill the requirements and obtain the necessary information.

e.) For this project, will you be traveling to foreign countries (either to conduct work on a research project or to attend an international conference), working with foreign collaborators, or working with a foreign sponsor/subrecipient? □Yes □No

If yes, please complete the following information for your country of destination, foreign collaborators, and foreign sponsors/subrecipient.

For travel and for foreign sponsors, if known please tell us the country.

For foreign collaborators, please include the collaborator's institution and country.

5	,		1
Country (if known)	Туре	Entity/Collaborator	Institution

Please provide any other information that may be needed that you were unable to provide above:

6) Special data security requirements (e.g. NIST 800)? □Yes □No

7) Intellectual property assignment to Sponsor, non-standard IP terms or a material transfer agreement? □Yes □No

If yes, please explain:

8) Does proposal involve immediate family members working together? PS-25 compliance □Yes □No

If yes, please explain:

9) Principal Investigator, or any project personnel or department personnel (including immediate family members) with a financial interest in the sponsor or proposed contractor? PM-67 Compliance □Yes □No

If yes, please explain:

10) Classified work? □Yes □No

If yes, please explain:

11) New courses or programs (subject to standard University course or program approval processes)? □Yes □No

If yes, please explain:

12) PreK-12 School Involvement? □Yes□ No

If yes, list schools:

13) Renovations or construction? □Yes □No         If yes, list room/building:         14) Advanced computing needs? □Yes □No         If yes, select all that apply: □CCT □HPC □ Other:         15) Does your proposed research contain any chemicals that have the following hazardous classifications? (Eg. Environmental Toxins, Explosives, Highly Corrosives, Mutagens, Peroxide Formers, Poisons, Pyrophoric, Teratogens, Controlled Substances) □Yes □No         If yes, select all that apply:         □ Environmental Toxins       □ Explosives         □ Highly Corrosives       □ Mutagens         □ Peroxide Formers       □ Poisons         □ Pyrophoric       □ Teratogens         □ Controlled Substance       □ Other:         Budget Related Approval Information:       □ Other:         16) Extra compensation to LSU employees (must be in accordance with PS-43 and PM-3)?         This does not include summer salary for academic appointments. □Yes □No         If yes, select type:       Link to F&A Waiver Request Form         18) Is Tuition Remission allowed per sponsor published guidelines? □Yes □No         If yes, select type:       Link to Cost Sharing Request Form         19) Cost sharing/matching? □Yes □No       □         If yes, select type:       Link to Cost Sharing Request Form         20) Does your proposal include subawards? □Yes □No       □         If yes, select type:
