OBJECTIVE: The course is designed to analyze the forces and trends characteristic of politics in developing countries. We will use examples of all the major regions of the Third World (Asia, Africa, Latin America, and the Middle East) in order to better understand the pervasive nature of the political crisis that has engulfed the developing world.

TEXTBOOK: There is one required text for the course:

Handelman, Howard. *Challenges of the Developing World*. New York: Rowman and Littlefield, 2016

Also, you will be required to read NYT articles regularly, on current developments in Third World countries.
