4. Minutes of the March, 2024, meeting were approved.
5. First reading of a proposal from the graduate council concerning Incomplete grades:

This request is to change the Graduate School regulation regarding the remediation of “I” grades. The current regulation allows a wide variation of durations depending on modality and academic period (range from ~8 weeks to ~30 weeks). The proposed regulation provides a consistent as possible duration (~15 weeks).

This proposal was a revision of a previous version submitted in fall, 2023. The original version was reviewed by the LSU Faculty Senate in spring, 2024 and was not approved. The proposal was revised and resubmitted. This was the first reading. Several questions were raised by ASH committee members, and the committee chair will contact the graduate council for revisions. A second reading of the proposal will take place once the revised copy is submitted.

6. Meeting adjourned at 3:30 pm.
